Here at Office Milk we have made getting milk in your office easier and more affordable than ever. We provide our customers with top quality milk deliveries at a great price, along with a level of service that simply nobody else can provide. We only supply top quality, reputable brands such as Procal, Jonesy's Dairy Fresh Milk, A2, VitaSoy, Bonsoy, Australia's Own and more...

Our premium quality milk comes directly from the dairy to ensure you get the freshest milk, while at the same time supporting local Australian Farmers. And, all of our milk comes free of any artificial additives or permeates commonly used in other milk products.

our milk

Procal Fresh Milk

Our milk of choice Procal is a 100% Australian owned and run dairy, which is the preferred milk for many cafés and baristas due to its superior taste and quality. Procal milk is sourced from the lush farmlands of Northern Victoria and Southern NSW and is packed within 24 hours using state of the art facilities according to their rigorous standards of quality. They are the recipients of 5 Gold Awards in recent Dairy Industry Award competitions, and provide milk that is 100% free of any artificial additives and permeates.

Full cream	1 or 2 litres
Reduced Fat	1 or 2 litres
No fat	2 litres

Jonesy's Dairy Fresh Milk

Jonesy's Dairy Fresh milk is as fresh and natural as it gets, and they believe that the quality of the product speaks for itself. Jonesy's are also proudly 100% Australian, and passionate about providing naturally premium quality milk. They love supporting local Aussie farmers and small business, helping to ensure that they get a fair deal.

Full cream	1 or 2 litres
Reduced fat	1 or 2 litres

A2 Fresh Milk

A2 Milk is naturally rich in the A2 type of beta casein protein which is the original milk protein. A2 milk may provide protection from a range of intolerance responses to cows' milk protein and assist digestive wellbeing. It is completely natural and free from additives and permeate which is why it taste so refreshing.
